Verse 1
```
G                 D   G                 D
   Be still, my soul,     thy Lord has called thee;
G            D                 Asus A
   His small voice will steady thee.
G                 D   G               D
   Fear not, my soul,      thy God's beside thee;
G            D                    Asus A
   His right hand will strengthen thee.
```

Chorus
```
      Bm       A              D2/F#        D/F#
I've found my home in the shadow of His wings,
    Bm       A            D2/F#        D/F#
And in His arms there's everlasting peace.
    Bm    A            D2/F#        D/F#
My only hope comes from the mighty King,
      Bm     A      D2/F#        D/F#
Who loves me and gave His life for me.
      Bm      A     D2/F#        D/F#
(Who knows me by every breath I breathe,
      Bm     A     D2/F#        D/F#
Lord, let me be yours eternally.)
```

Verse 2
```
G                 D   G               D
   Awake, my soul,     thy God's renewed thee;
G            D                 Asus A
   You shall walk and not grow faint.
G                 D   G                 D
   Arise, my soul,       thy Lord's prepared thee;
G            D                Asus A
   You shall trust and overcome.
```
